THIS IS ME

I am a Marketing-Management Major and I aspire to get into a banking related job, maybe an advisor at Chase Bank or work at DeSilva Gates Construction.

*I Like to Game*

WHERE I'M FROM

CITY OF  
**LIVERMORE**  
CALIFORNIA

I chose UNR because I have family in Carson City and when I visited the campus, I appreciated all the greenery and brick architecture. It's also not too far away from home.

*One of My Hobbies*

I am fairly proficient in computer skills, I took IS 101 last semester so a lot of the information is fairly fresh. I typically use the computer for school or gaming, never anything too serious.
